

# *You Led the Way*

A commemorative report honoring the leaders and donors of the  
Spirit • Mind • Body Capital Campaign

spirit • mind • body  
THE CAPITAL CAMPAIGN FOR EPISCOPAL

# Message from the Head of School

*“Even though we started this Campaign journey with the flood of 2016 and closed it during a pandemic, over 700 families, including yours, committed a total of \$19.9 million. This is the largest amount of money raised in the history of Episcopal.”*

**D**ear Campaign Donors,  
I am in awe of this community and honored to thank you for being a part of Episcopal’s boldest-ever Spirit • Mind • Body Capital Campaign. It is truly unbelievable to be celebrating such a successful endeavor, and I applaud you and those who had the vision for this monumental effort years ago. This Campaign has been the most ambitious and successful in our school’s history. The Campaign transformed our campus in many exciting ways. We now have a renovated Lewis Family Memorial Chapel of the Good Shepherd, a new Reilly Academic Commons, a new Graves Family Field House, and a renovated QUEST Center in Foster Hall. These first-class facilities and the incredible learning that is now happening in them are what attracted me to Episcopal in 2020. It is an honor to work at a leading independent school in our region and to be a part of such a generous and active community.

In this Campaign report, I am amazed to see the incredible number of families who invested in this historic effort. The response

of each of you to further the mission, its people, and the unique role Episcopal serves in Baton Rouge has been remarkable. Even though we started this Campaign journey with the flood of 2016 and closed it during a pandemic, over 700 families, including yours, committed a total of \$19.9 million. This is the largest amount of money raised in the history of Episcopal, and I am honored and proud to be here to say thank you. **You led the way!**

I am grateful for the spirit of generosity that continues to fuel our school’s progress and encourage others in our community. Your support is not only creating exceptional experiences for our students today but also inspiring future leaders and achievers of tomorrow. Thank you so much for your participation and generous support.

Sincerely,

*Carrie Steakley*  
*Head of School*

# *Message from the Former Head of School*

Pictured: G. Allen Penniman, Jr. and Hugh McIntosh

**D**ear Episcopal School of Baton Rouge Community Members, Impressive as the bricks and mortar are, perhaps more importantly, a legacy of perseverance and devotion to Episcopal emerged. Alumni showed up as lead givers on each of the projects, for example. There was broad participation from Episcopal families with students at the school. The Board led the way and the faculty and staff giving was impressive. I understand that this beauty of working together toward a shared vision is present in school life today. “We” were undeterred; the things nature put in our path and the usual causes of failure for fundraising were overcome by the force of a dedicated group united behind a worthwhile mission.

Episcopal has come a long way from when 10 families set out to create a new, independent school option in Baton Rouge to today when Dr. Carrie Steakley and the current board navigated through the pandemic to complete the campaign.

Thank you for everything.

*Hugh McIntosh*  
*Head of School 2010 -2020*

# *A Shared Vision*

Episcopal's success is rooted in community. Visionary leaders, exceptional faculty and staff, and supportive community members set out to imagine a campaign that would transform Episcopal for years to come.

**A**s Board Chair from 2015-2017 when the campaign moved from the silent to the public phase, this was a focused discussion among school stakeholders and trustees. It had been more than a decade since the last capital campaign, and the school was growing at an admirable rate. We were running out of space, and I felt confident that we needed these new and renovated facilities to meet the changing needs of our faculty and students, while making sure Episcopal remained an excellent school choice for families in the Baton Rouge area. This was one of the best decisions for Episcopal and I am honored to have been one of the Board Chairs during this historical growth period for the school.

*Michael Ferachi, Board of Trustees Chair  
2007-2009 and 2015-2017*

# *A Plan for the Next Generation of Leaders*

With intention and determination, the Capital Campaign created the space and innovation to offer a distinct and exceptional learning environment.

**V**isually and programmatically, Episcopal is a far different place than it was when I graduated in 1984. It has been rewarding to see the school through the eyes of my four sons, which is what compelled me to help in the final push effort. We are truly providing the best resources possible for our children and Dr. Steakley has surrounded herself with great leadership. Episcopal students today and those in the future will benefit from these excellent facilities and teachers for years to come, thanks to the generous support of our community.

*Ty McMains '84*  
*Board of Trustees 2011-2017 and 2021 - Current*

# *Lead Investors*

We recognize and offer our sincere gratitude for the leaders who made a substantial investment of \$250,000 or more in the Spirit • Mind • Body Capital Campaign. These donors provided the foundation for this historic campaign and their gifts represent 51 percent of the campaign total.

## **Capital Campaign Lead Investors**

\$3,000,000+

The Reilly Family • Jennifer and Sean '79  
The Graves Family • Gwen '88 and Todd '90

\$500,000 - \$999,999

McMains Foundation  
Teri and Gordon "Skeet" LeBlanc '78  
The Grigsby Family • Ainsley '92 and Todd  
Victoria Guarisco and Tony Boagni  
The Family of Luke Stelly

\$250,000 - \$499,999

Andreeff Foundation  
Charles Lamar Family  
Mr. and Mrs. Jonathan Bruser

From 2011-2014, extensive conversations took place regarding the need for capital improvements. In 2013, the first campaign gift was received and the community UKNIGHTED to embark on Episcopal's most ambitious and successful Capital Campaign in school history.

**2015 – 2016**

Chapel renovations begin,  
May 2016

**2017 - 2018**

Chapel Re-dedication  
Ceremony, August 13, 2017

Public Phase begins

Field House Ground Breaking,  
May 17, 2018

**2016 – 2017**

Flood, August 2016

Academic Commons Ground  
Breaking, May 30, 2017

**2014 - 2015**

The Spirit • Mind • Body  
Capital Campaign was  
accepted as Episcopal's next  
major Capital Campaign

## 2020 - 2022

Board voted to extend the campaign another year

Final push committee was formed

Close of campaign, May 2022

## 2020 - 2021

QUEST Center renovation completed, September 2020

QUEST Center Ribbon Cutting, November 15, 2020

# *An Investment in the Future*

Propelled by a vision, the Spirit • Mind • Body Capital Campaign has transformed Episcopal's campus. By creating more resources for learning, growth, and comprehensive student development, we strengthen our reputation and secure our future.

**F**rom concept to completion, we had faith the Episcopal community would step up. And you did — more than we dreamed when we first began conversations about renovating the chapel and constructing new academic and athletic buildings in 2015.

Thank you for being a part of the Spirit • Mind • Body Capital Campaign. Your support lives on in educating children today and in years to come.

It is an honor to celebrate you and your generous giving.

Thank you.

*Katheryn Flournoy*  
*Board of Trustees Chair 2017 - 2019*

# Over \$19.9 Million Raised

# Over 700 Families Participated

275 

Leadership donors made a gift of \$2,000 or more

4 

New or renovated facilities on campus made possible by the Spirit·Mind·Body Capital Campaign

30 

Major gift donors made a gift of \$100,000 or more

**49,000** Square feet of new building space

**21,780** Square feet of Renovated spaces

**26** Additional or Modified classrooms

**10** New Community gathering spaces

# *Campaign Donors*

This comprehensive donor listing recognizes holistic support to any phase of the Spirit • Mind • Body Capital Campaign from 2013-2022. We recognize and celebrate these community members for their support and belief in Episcopal's mission.

## *Episcopal Faculty and Staff who contributed to the Capital Campaign*

Episcopal's outstanding faculty and staff give in so many ways to inspire students and offer the best learning experience. Former and current faculty and staff are committed to the school's mission and their commitment is further demonstrated through their generous support of the Spirit • Mind • Body Capital Campaign.

# *Spirit • Mind • Body | By the Numbers*

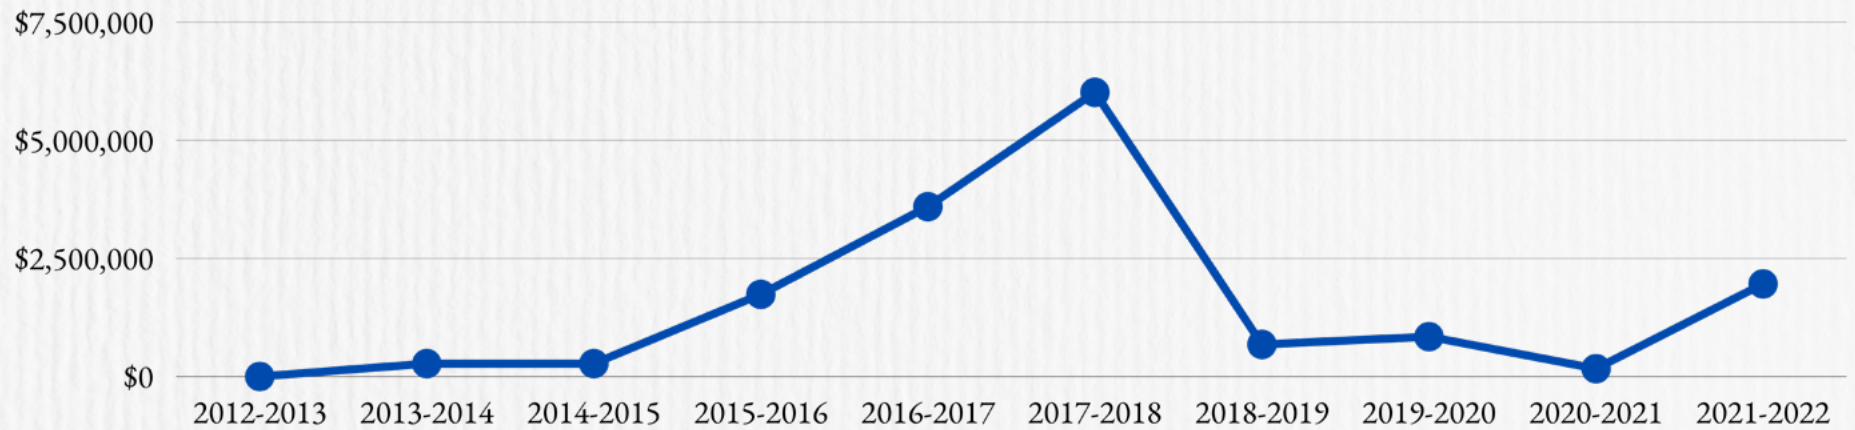

The Spirit • Mind • Body Capital Campaign raised \$19,917,803 over 10 years to enrich learning, expand opportunities and enhance the student experience. We are honored to receive widespread support across multiple constituencies and giving levels. Each gift from each donor made a significant impact on this monumental campaign and we commend the vision, passion and generosity of the Episcopal community.

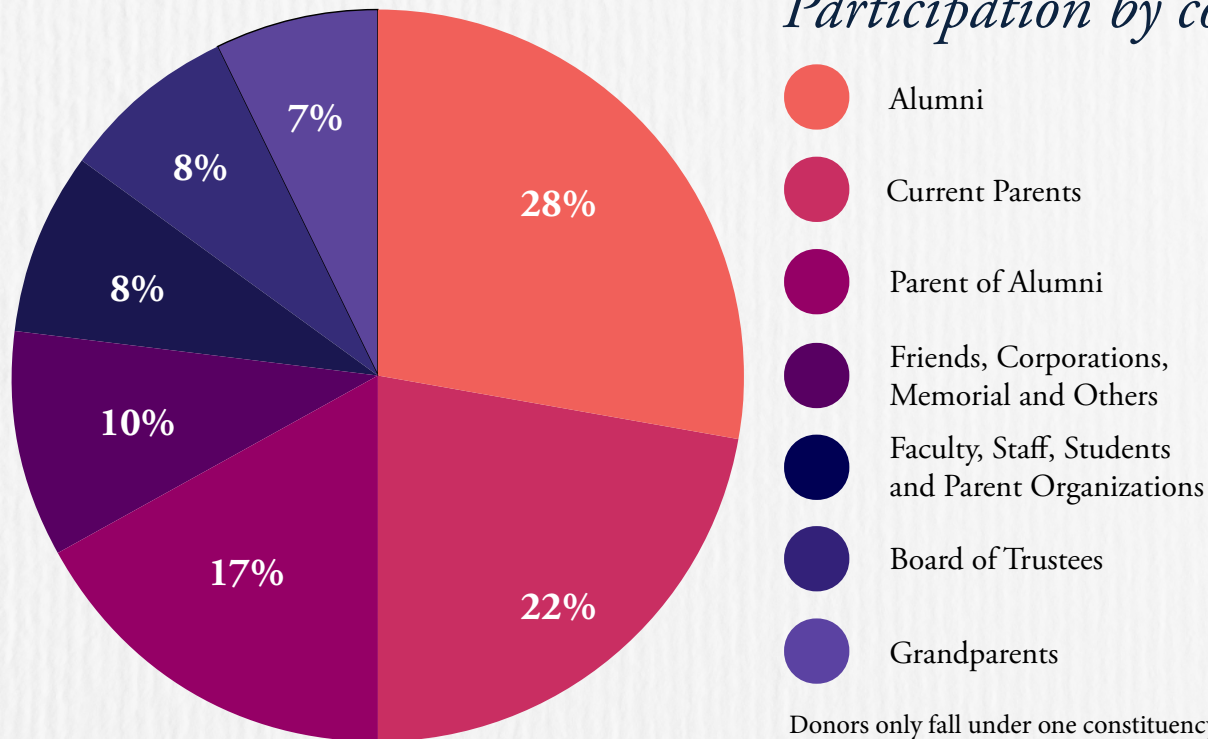

## *Giving Timeline*

## *Participation by constituency*

Donors only fall under one constituency based on the National Association of Independent Schools' Data and Analysis for School Leadership (DASL) hierarchy.

## *All Alumni Campaign Donors*

Episcopal is incredibly grateful for alumni who have experienced the power of an Episcopal education and choose to support the school, therefore strengthening that experience for current students.

**B**eing an alumnus of Episcopal has created opportunities I could never have imagined. Whether it be lifelong friendships, wonderful memories, or preparing me for the next steps in my life, I will forever be grateful. To be a part of the Spirit • Mind • Body Capital Campaign meant giving back to an institution that gave so much to me. Our alumni community is strong and seeing the next generation of Knights benefit from this remarkable Campaign and the generosity of so many of our alumni means much more to this accomplishment. Thank you to all of our alumni who supported this monumental campaign for the next generation of Knights.

**E**piscopal means so much to our family. To have been involved throughout the Spirit · Mind · Body Capital Campaign has been a true honor. The significance this campaign has made to our campus and community is immeasurable. Every phase brought an enhancement that helps to better support and encourage our students, faculty, and coaches in all of their endeavors. It has been a privilege to spend time with donor families who share our commitment to Episcopal and its future generations. I am thankful to have been involved because I know the opportunities this Campaign created will be impactful well beyond anything we ever imagined.

## The Lewis Family Memorial Chapel of the Good Shepherd

**F** From my time as a student at Episcopal to my children's years on campus, the Chapel has remained a steadfast place of worship and spiritual growth. It continues to be a special space for our family today, which is why Teri and I were so honored to be a part of the renovation. Teri and I recognized that the Chapel needed updates such as new flooring, lighting, seating, restrooms, and a covered walkway. It was important to us that while upgraded, the Chapel maintained the sense of belonging and peace it has offered students for the past 50 years. This treasured space serves the entire Episcopal community because it is where students gather for meaningful class offerings, daily Chapel, and traditions such as Lessons and Carols, Graduation, and so much more. We are deeply grateful to the families who supported this phase of the campaign and share in our appreciation for the beauty and acceptance the Chapel provides for the Episcopal community.

## The Reilly Academic Commons

Pictured: Rowan Reilly '20 and Sean Reilly '79

**S**pirit • Mind • Body Capital Campaign co-chair, Sean Reilly '79, addressed students at the Academic Commons ribbon cutting in 2018 and said, "You are going to unlock wonders within these walls!" These words still ring true, as Episcopal continues to be the leader in academics among Baton Rouge independent schools.

We are honored to have been a part of the vision to create a space that would ignite curiosity, encourage innovation and foster entrepreneurial spirit. Our family lives by the philosophy to leave a place better than you found it. Through the campaign, we succeeded in doing so and are forever grateful to other families who stepped up to leave Episcopal's campus better than they found it.

## The Graves Family Field House

Pictured: Gwen '88, Todd '90, Sophia '20, Charlie '22 Graves

**T**odd and I are proud and moved to be a part of this campaign. For us, athletics is a big part of the Episcopal experience. Whether it is the enjoyment of a physical education class, the opportunity to be a part of a team, a lesson from our exemplary coaching staff or the camaraderie that comes from cheering on the Knights, athletics benefits the entire school community. Also, Episcopal had not benefited from a new athletic building since 1982 – nearly three decades ago! So, we were thrilled that the Field House was able to replace the outdated weight rooms and crowded dressing rooms with updated fitness facilities and locker rooms that will benefit the entire student body. Our coaches devote themselves tirelessly to our children and this state-of-the-art facility will replace their substandard offices, helping them to do their job even better and giving them the facilities they deserve.

*Gwen Graves '88  
Board of Trustees 2017-2021*

*“This building may scream “athletics” when you see it, but the more you experience the everyday use of this facility, it’s clear that it stands as one for our entire Episcopal community.”*

# *The Quest Center in Foster Hall*

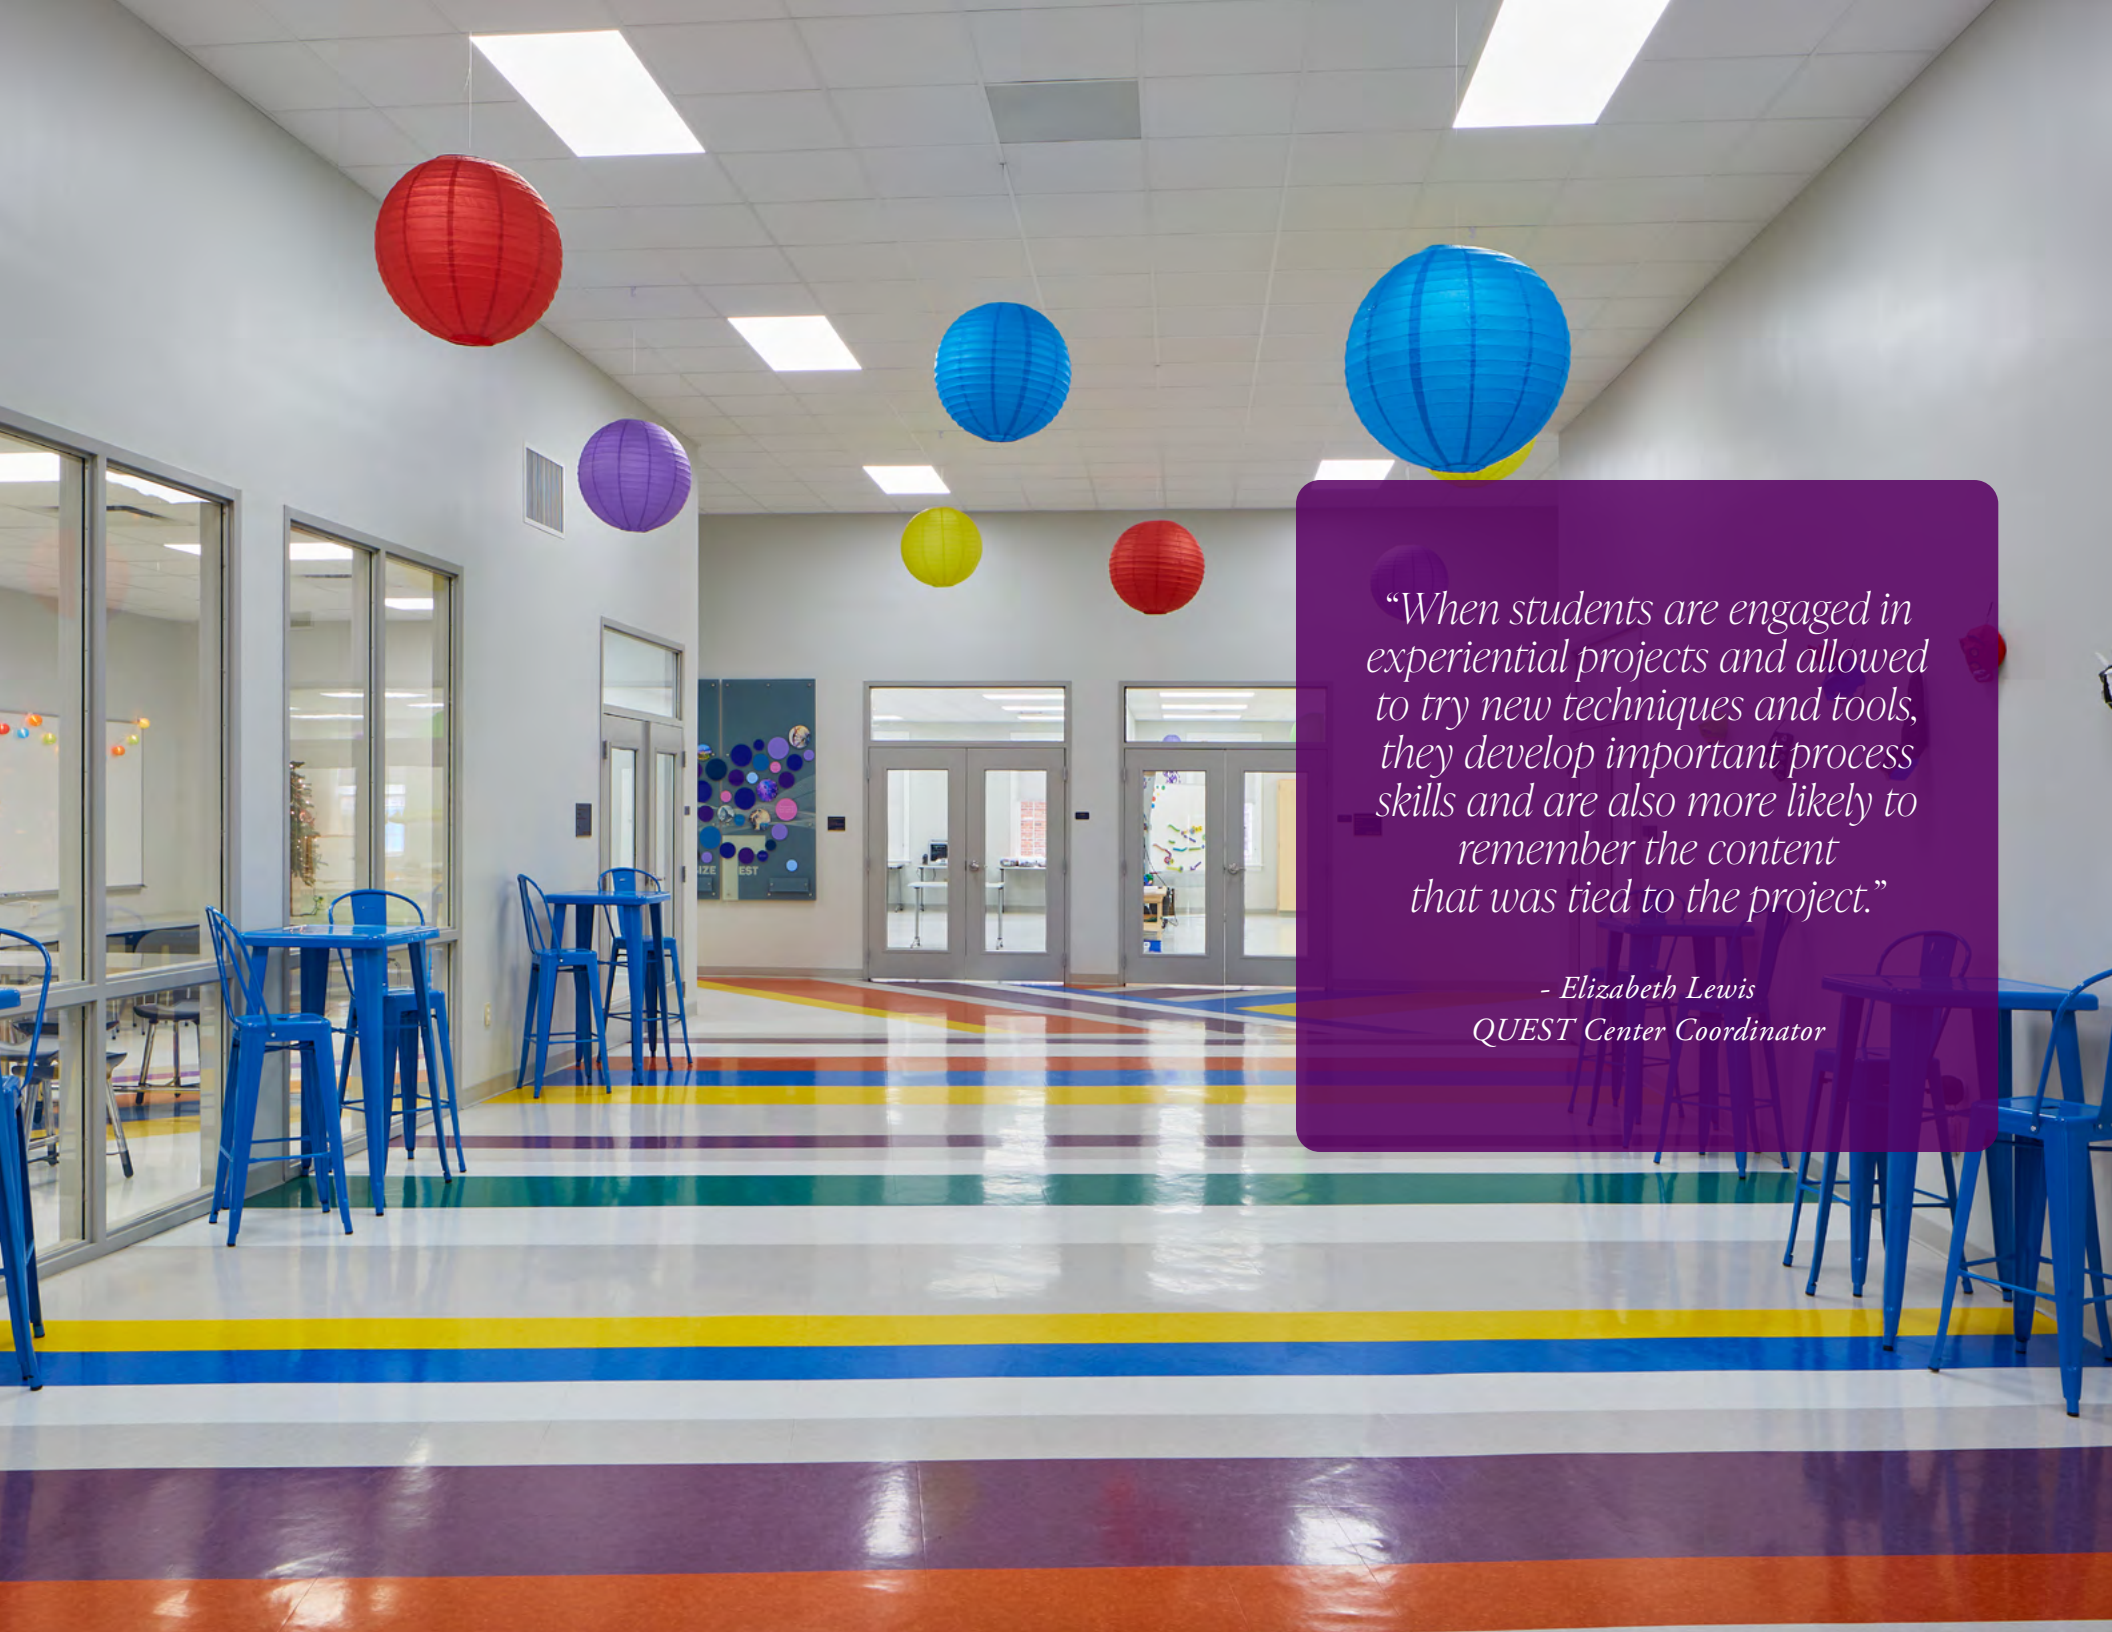

## *Fostering Episcopal's Youngest Minds*

Jonathan, Kennan, Annaleigh, Jacob '23, and Adeline '28 Bruser

**W**hen Hugh McIntosh reached out to us in 2019 about renovating Foster Hall to become the QUEST Center, Kennan and I were honored to be a part of this project. The need for this space was obvious and we were thrilled to know that Episcopal faculty had such a huge role working with the architects to create a space that met their needs. Just as the Academic Commons provides science, math and engineering spaces for our Upper School students, the QUEST Center now provides creative, adaptable, hands-on, project-based learning spaces for our Lower and Middle School students. This renovated space allows the school “room to grow” and we feel that it will not only benefit the students today but will attract many more considering an Episcopal education.

*Jonathan Bruser*  
*Board of Trustees 2020 – Current*

*“When students are engaged in experiential projects and allowed to try new techniques and tools, they develop important process skills and are also more likely to remember the content that was tied to the project.”*
