

*Episcopal School of Baton Rouge*  
*Summer Reading: Incoming 8th graders*

This summer, I hope you all will read many books that interest you and keep your minds active. Please select **TWO** books for your **required** summer reading. Your selections should be books you have not previously read. You will write about and complete projects on these books at the start of the school year, so having access to a personal copy of each book is highly recommended. You may also wish to jot down some basic notes about plot and characters as you are reading.

**Summer Reading Selection Challenge.** As a fun, alternative way to select your books, use a couple of these scavenger-hunt clues to help you find some different titles. (Or, after you've picked your books, see which of these categories your books fit.)
