

Episcopal's Upper School is seeking an experienced mathematics teacher for a full-time position in the 2019-2020 school year. Candidates must have expertise in student-centered, innovative instruction with a focus on developing both conceptual understanding and procedural fluency with content knowledge ranging from Algebra I through Calculus. The qualified applicant will have solid experience and proficiency with technology, but a willingness to learn to effectively integrate technology to support mathematics instruction will be considered.

The Episcopal faculty member serves as a representative of the school at all times, upholding its mission both personally and professionally. Candidates must be self-motivated individuals with excellent communication skills and should have an eagerness to help each student achieve his or her full potential. A professional demeanor is expected and the skill to develop strong relationships is a must. Being a person that self-identifies (and that others describe) as a "happy" person, an emotionally intelligent person, a person with natural "situational awareness," a person who consistently strives to improve, a "forward-looking" person, and a person who "plays well with others," are all characteristics of the successful candidate.

Please submit cover letter, resume, copy of transcripts, and references to the Math Department Chair, Stephen Anderson, via e-mail at andersons@ehsbr.org, or mail to Stephen Anderson, Episcopal School, 3200 Woodland Ridge Blvd., Baton Rouge, LA 70816. Episcopal does not discriminate against any person in admission, employment or otherwise because of race, color, religion, national origin, gender, or age in violation of state or federal law or regulations

Episcopal School of Baton Rouge is an equal employment opportunity employer dedicated to a policy of nondiscrimination in employment upon any basis, including race, color, creed, religion, age, gender, national origin, military status, or disability.
