

How to View Ongoing Grades for Students in 3rd - 5th Grade

Graded work will continue to be sent home in Wednesday folders with your child. If you wish to view their ongoing cumulative grade, parents in 3rd – 5th grade will do this in PowerSchool. Ongoing grades for 6th – 12th grade students will continue to be posted in Canvas.

1. Log into the [PowerSchool parent portal](#). If you need assistance contact helpdesk@ehsbr.org.
2. If you have more than one child at Episcopal, their names will appear in the blue menu bar across the top of the screen. Select the child whose grades you wish to view.
3. In the **Navigation** menu select **Grades and Attendance** to open the Grades and Attendance view.
4. It will default to just the attendance view. To see your child’s current cumulative grade, click on the **Grades and Attendance** tab. Their current cumulative grade will be displayed next to their core subjects. Other grades will be available in your child’s report card at the end of the quarter.
5. If you wish to see assignment details, click on the total grade. This will open the **Class Score Detail** page which lists graded assignments and may display upcoming assignments. It will also let you know when grades were last updated.
6. If you have any questions about your child’s grades, do not hesitate to contact the teacher.
