

Club Dismissal Update: (Effective Monday, August 24, 2026):

Beginning this school year, after-school club dismissal will take place at **4:30 p.m.**

If you arrive before **4:25 p.m.**, please line up in the parking lot before turning into the carpool circle at the **Mire Circle** sign. The line will follow the same traffic pattern used for Lower School morning and afternoon carpools, snaking through the parking lot and extending onto Woodland Ridge as needed.

At **4:30 p.m.**, vehicles will be directed to pull forward to the first available pickup location, including **Spots A, B, C (blue cone), 1-6, and 7 (blue cone)**. There will no longer be reserved spaces for club pickup.

Staff members will be stationed throughout the pickup area and will call students to the first available location. To help us ensure an efficient dismissal process, please have your pickup sign clearly displayed.

If you are picking up a child from both a club and Extended Care, please enter the club pickup line first. After your club participant has been picked up, staff will direct you to pull forward to the first available waiting space while your child from Extended Care is called. Thank you for your cooperation as we work to provide a safe and efficient dismissal process for all students.

Extended Care Dismissal Update: (Effective Monday, August 24, 2026):

If you are picking up your child from Extended Care **before 4:25 p.m.**, please bypass the club dismissal line that forms in the parking lot and along Woodland Ridge. Proceed to the first available parking spot: **A, B, C (blue cone), 1-6, or 7 (blue cone)**.

If you arrive **at or after 4:25 p.m.**, please join the **back of the club dismissal line**. Because club dismissal begins at **4:30 p.m.**, Extended Care pick-up may take a little longer during this time.

Parents arriving after 4:25 p.m. should remain in the dismissal line until the carpool circle is clear.

For student safety and traffic flow, please **remain in your vehicle** and do not exit to buckle your child. If you need additional time to secure your child, please pull to the side near the **Alumni House parking lot** before buckling them in.
